

Danielle Belsito receives a Steel Founders' Society (SDF) of America Scholarship

WPI alumni Jack Lilley (MS MTE '91) has been awarded the SFSA Briggs Award. As part of that prize Jack sent \$1500.00 to WPI's Materials Science and Engineering program to be given as a scholarship to an outstanding student with an interest in metal processing. Danielle Belsito has received this SFSA scholarship based on her outstanding academic accomplishments. She see currently completing her MS thesis on the mathematical modeling of the heat treatment of steel.

Top student contributor to the IBM Smarter Planet University Jam!

Congratulations to Chris Lammi who is being recognized as one of twenty top student contributors to the Jam around the globe. These top students made insightful and/or innovative contributions the Jam discussion on how technology and business can help build a smarter planet in areas such as education, healthcare, energy, traffic and water.
